<u>About Acer</u>				
Since its founding in 1976, Acer has constantly pursued the goal of breaking the barriers between people and technology. Focused on marketing its brand-name IT products around the globe, Acer ranks as the world's No. 3 (4Q07) vendor for total PCs and No. 2 for notebooks, with the fastest growth among the top-five players. A profitable and sustainable Channel Business Model is instrumental to Acer's continued growth, while the successful merger of Gateway Inc. as a wholly owned subsidiary completes the company's global footprint by strengthening its presence in the U.S. and enhancing its strong position in Europe. Acer Inc. employs 5,300 people worldwide. Estimated revenue for 2007 is US\$14.06 billion. See <a href="http://www.acer.com">www.acer.com</a> for more information.
